CHINA Update

How beautiful on the mountains are the feet of those who bring good news, who proclaim peace, who bring good tidings, who proclaim salvation, who say to Zion, "Your God Reigns!" -- Isa. 52:7 NIV

Hello Friends, Family & extended Family,

*Wishing you the Best of
Christmases and a
prosperous New Year in
2010!*

Our Hong Kong/China trip was truly amazing. We saw God's hand move every step of the way! Thank you for all your prayers, they were felt by us personally, the entire missionary team and ministry staff. Please continue to pray for the work that goes on there year-round in Hong Kong/China.

We are thankful also for the monetary gifts that you gave sacrificially. The funds were used to sow into the purchase and distribution of Bibles into south western China. The Bibles were taken in by a small team that did an outreach at a University as well as a rural town. Thank you for giving to the LORD!

The *good news* is reaching the underground church in China. The missionary team this trip was small but, they were able to courier in well over 2 tons of God's Word across the border in only a 2½ week time period! God's favor was before us.

Gary and I had the opportunity to take a side trip to the scenic city in China called Guilin. Wow, how beautiful it was to travel up into the mountains and see the habitat of the Yao people and their traditions. We also handed out Christian booklets to the Yao people and they were received with smiling faces and true appreciation. Our young tour guide, Lilly was also handed one and she treated it like it was precious treasure in her hands. She commented and said, "Christians have the most beautiful heart of all people I have ever met." Divine Appointments? Absolutely!

Friend, the church in China is young and is in need of many workers, if the LORD tugs on your heart heed the call! There is also opportunity for long term stays with the ministry in Hong Kong. If you are interested, we will be glad to put you in touch with them for more information.

In His Service and with love,

Gary & Lora
