

Roz's Mission News - CHINA

Hello Friends!

Our last mission's trip to Hong Kong/China was incredible! Friend it's exciting times we live in right now for the Kingdom of God and our world. The kingdom of God is growing and so is the persecuted/underground church. If you feel a burning in your heart for more of God, China may be the mission trip for you. Let your heart guide you into all that God has for you.

The LORD has burdened our hearts for many years for the persecuted church. Gary & I and our team got to see first hand people receiving the Word of God for the very first time. I cannot describe to you the exhilarating feeling to hand a person a bible that has never had one before, knowing what treasure lies within it to yet be discovered by that person!

We also had the privilege of working with a ministry that has the sole purpose of being couriers of God's Word across the border from Hong Kong into China. There is a myriad of people from many nations that are part of the ministry (name not mentioned for security purposes) and they appreciate our prayers and any financial contributions you feel led to give. We went daily across the border into China carrying with us the precious Word of God!

As a small team from Florida, 5 of us, spent a few days in Southwestern China and did an outreach in a remote village. The children had waited all morning for our arrival and were so excited when we got there. [\(See Photos\)](#) There was a sea of people around us of all ages and they all got to hear about Jesus in their own language (Mandarin) through an interpreter friend. They listened intently to the message, and we are praying the seeds that were planted will grow, in Jesus mighty name.

There is much to tell about the trip and these are just a few of the highlights. We look forward to sharing with you more of our trip and yes, Gary has some stories to tell! Read: [The China Capers](#).

We appreciate and covet your prayers as we return this Fall of 2009 to Hong Kong/China. Let us know if you would like to join on our next missions trip. If that is something you may be interested in, we'd be glad to speak more about the trip and pray with you.

In HIS Service,

The Roz's - Gary & Lora
